

St. Paul School Veterans Wall

May 1, 2025

In 2015 then principal, David Pancurak created a veterans wall to honor St. Paul School alumni who served or who presently serve in the U.S. military. He did so with the assistance of art and computer teacher Jacob “JC” Williams and in consultation with Kenneth Peters, then the wood shop teacher at Salem High School. The sacrifices made by those deployed to conflicts in Iraq and Afghanistan inspired Pancurak to conceive and construct the memorial. He wanted it to remind students of the value and honor of service to the nation.

Two weeks before he passed away, alumnus Michael Walpert, '62, received the 2014 edition of the St. Paul School Foundation Newsletter announcing Pancurak's plans for the veterans wall. News of the wall brought Walpert great joy and excitement. “He wanted to know all its details and how he could help,” said his sister, Mary Ellen Walpert Mayo, '63. Thoughts of the wall occupied most of Walpert's final days, taking his mind off his declining health. Grateful that the future memorial lifted his spirits during this difficult time, Mayo directed all donations that she received in her brother's memory to St. Paul School for the wall. The donations, supplemented by funds from the Walpert and Mayo families and a contribution from alumna Jill Brahm, '66, covered the entire cost of the wall. This gave Mayo comfort and satisfaction knowing that her brother also helped to build the memorial.

Below is a photo of the wall that hangs on the east side of Scullion Hall at the school. It includes the names of 351 alumni who have honorably served or who now serve on active, reserve or National Guard military duty. Since its completion in 2015, names of 175 additional alumni have been identified who have served or who now serve, bringing the number of alumni military veterans to 526. In April 2025 planning began to expand the wall so that the names of the newly identified 175 veterans can be added.

The names of the 526 alumni veterans appear in two lists below the photo. One is in alphabetical order by last name. The other is organized by St. Paul School class year. Note that school records for students born prior to 1906 have not been located. This explains, in part, the absence of veterans' names for class years 1905 through 1919. Names in blue on the lists do not yet appear on the wall and will be added once the wall is expanded. A 'D' in the column labeled 'Status' indicates that the veteran is deceased as of April 1, 2025. Seven alumni are listed as known to have lost their lives while in military service to their country.
